INFONET

About the Department

The Computer Science and IT department was introduced in the year 2007, with a three-year professional course in B.Sc.(IT) affiliated to Dibrugarh University with an aim to expand the Institute and as well impart professional education in Computer Science & IT to thestudents of the locality and state as a whole. The department also extends educational service at TEOK ,C.K.B. College, Sibsagar from 2018 onwards, imparting a profession skill development course in Computer Hardware Maintenance and DTP in collaboration with Teok C.K.B.College, Teok. The department also extend services to the other departments of the Institute in imparting computer courses.

HOD's Message

"I am highly delighted at the publication of departmental first newsletter issue "Infonet". I am highly thankful to all my colleaguesfor their efforts and cooperation in making this publication successful. I believe this will generate enthusiasm and excitement among the faculties and students to focus and work towards the excel and achievement of the mission and vision of the department. With this, I cordially invite all the members to associate with this platform and put a combine effort in making the "Infonet" growing."
